

**Seasonal Employment**  
**1 position**  
**Programming Assistant, Seasonal**

**Responsibilities:** Assist the Stark County Park District Education Department developing, supporting, and presenting educational programs which increase the public's awareness, understanding, and appreciation for cultural, historical, and natural resources. Assist with the development and delivery of public programming for groups including but not limited to scouts, tour groups and students. Will be assigned and responsible for various projects in natural and cultural history, and research of interpretive materials for programming. Supporting and attending special events.

**Qualifications:** Possess or be in pursuit of a degree in education, natural resources or related field – with a strong interest in passive recreation, preservation, conservation and an appreciation for nature. A flexible work schedule is a must – evenings, weekends, and some holidays. The ideal candidate will be able to effectively communicate orally and in writing; have experience in developing and presenting educational programs, and work with a diverse audience. CPR and First Aid required (will train). Must have valid Ohio driver's license and be insurable; required to pass background check, including criminal history, and pre-employment drug screening. Must be eligible for employment in the United States.

**Pay:** \$8.00 per hour

**Dates of Employment:** April – October 2012

**Position Closes:** Open until filled

**Location:** Varies within Stark County, OH

**Method for Applying:** Please submit a cover letter explaining how you meet the qualifications of this position plus a resume or application. Applications can be obtained at the Stark Parks Administration office, Monday – Friday, 8:30 am - 4:00 pm or from the Stark Parks website: [www.starkparks.com](http://www.starkparks.com).
