Hiking Towards 10,000

To add a fun challenge for the 2012 hiking year, the Friends of Stark Parks Hike-a-Hundred club set a goal of 10,000 miles for 2012. Club members logged 6,313 miles in just seven months in 2011, so let's all get out there to experience Stark Parks trails in 2012 and meet this year's goal! Monthly mileage results appear in editions of *Trailhead*.

Club Taking Shape for 2012

Since the January 3rd Kick-off Event, the 2012 Hike-a-Hundred club is really gaining momentum. Over seventy members joined in January and have already logged over 1,700 miles throughout Stark Parks. Do you have a friend that would be a good fit for the Hike-a-Hundred club? Spread the word so others can begin to enjoy their Stark Parks too!

Welcome Sponsors!

The Hike-a-Hundred club is pleased to welcome back the **Medicine Center Pharmacy** as a sponsor for 2012, and extends a welcome to our newest club sponsor, **Second Sole** of Canton and Massillon! Look for information and updates from both of these sponsors in future editions of *Trailhead*, as well as at various club hikes, socials, and events.

View Your Miles Online

Visit www.StarkParks.com and click on the Hike-a-Hundred logo at the bottom of the homepage to view mileage and club challenge progress, see recent hike photos, find out about upcoming Hike-a-Hundred events, and log mileage too!
